Executive Requestry

78-0578 Request

The Honorable Stansfield Turner Director Central Intelligence Agency Washington, D.C. 20505

Dear Admiral Turner:

According to a Washington Post article on February 5, 1978, the CIA has produced a new analysis on the Saudi oil policy and the status of that country's oil fields.

As you know, the Subcommittee on Foreign Economic Policy of the Senate Foreign Relations Committee has an on-going interest in this issue. I therefore would like to request that a copy of this analysis be made available to me and to the Staff Director of the Subcommittee on Foreign Economic Policy, Karin Lissakers.

Frank Church Chairman, Subcommittee on Foreign Economic Policy
